

Dear Isaac,

Yesterday I displayed some very bad behavior. Once you hurt someone's feelings, like I did by holding Ur head in a toilet to give you a swirly, it's hard to get someone to forgive you.

Do you think you could ever forgive me?

Unconditionally, you can do the same to me.

Maybe that way you'll feel better.

But that's all I have to say. Sorry again.

love,

Lou ☺
